

ONLINE SOCIAL SINGALONG!

'Parkinsons and MS Friendly'

Mondays: 3.00 - 4.00pm

Thurs: 3.00 - 4.00pm.

(from mid Sept)

First session is a free 'taster'
and then £3 per singalong.

The sessions include a warm welcome and suitable vocal warmups and exercises, followed by a good sing! We sing well known pop and jazz standards from the 1960s onwards. There is no need for any prior experience - just an enthusiasm to 'have a go'!

Alison Richards is a highly experienced and enthusiastic local music teacher, and she is passionate about the hugely positive impact that singing can have in generating a sense of community, joy and well-being!
